

KryptoMax® Detention Mirror - Small

Model: KM-SDM-SM
www.KryptoMax.com

Description:

The KryptoMax® stainless steel small detention mirror serves a number of uses, from blind spot prevention for jailers to prisoner lavatories. G2 offers several styles that are easy to install, provide intensive use tamper resistance, and a high quality finish for long-term use without defect.

The KryptoMax® products by G2 Automated Technologies, LLC, offer a wide variety of solutions for correctional facilities, detention centers, jails, and prisons. These solutions include intensive-use accessories, fixtures, furniture, and replacement parts. If you require an individual item to replace on an existing product, we can provide it for you. We also offer a wide variety of mounting hardware, concrete anchors, tamper proof hardware, and tools, to help with installation of intensive use detention furniture.
