

# KryptoMax® Detention Recessed Shelf

Model: KM-RSH-416  
www.KryptoMax.com

## Description:

KryptoMax® recessed shelf provides storage in areas where a cabinet or standard wall shelf can't fit. This intensive-use shelf is suitable for prison cells, detention common areas, showers, or bathrooms. The intensive use shelf is constructed of heavy 16 Gauge Steel and is TIG welded for a strong single piece design. Four mounting holes are in the wall flange for installation.

The KryptoMax® line of products by G2 Automated Technologies, LLC, offers a wide variety of solutions for correctional facilities, detention centers, jails, and prisons. These solutions include intensive-use accessories, fixtures, furniture, and replacement parts. If you require an individual item to replace on an existing product, we can provide it for you. We also offer a wide variety of mounting hardware, concrete anchors, tamper proof hardware, and tools, to help with installation of intensive use detention furniture.
