

KryptoMax® Detention Cabinet-Small

Model: KM-CAB-123036

www.KryptoMax.com

Description:

KryptoMax® storage cabinets continue to be used in prisons, hospitals and clinics across the nation. Our experience with meeting the needs of the detention medical industry is reflected in our quality and reliability. Designed with 16 gauge 304 stainless steel this cabinet is fully welded and ground smooth at all corners for a clean look and enhanced safety. The doors include safety glass viewing windows and includes stainless steel latch and hinges, an optional locking handle latch is available. It includes two adjustable shelves and includes pre-drilled mounting holes on the back of the cabinet. These cabinets are also available in multiple sizes and depths.

The KryptoMax® line of products by G2 Automated Technologies, LLC, offers a wide variety of solutions for correctional facilities, detention centers, jails, and prisons. These solutions include intensive-use accessories, fixtures, furniture, and replacement parts. If you require an individual item to replace on an existing product, we can provide it for you. We also offer a wide variety of mounting hardware, concrete anchors, tamper proof hardware, and tools, to help with installation of intensive use detention furniture.
