Description:

One of our most popular detention products, this economical floor mount stool is constructed with 14 gauge 304 stainless steel. The 12" round top includes a reinforced 6" base plate secured to a 2.5" schedule 40 pipe and mounting plate. Seats come standard at 18" high, and includes powder coated gray finish.

The KryptoMax® line of products by G2 Automated Technologies, LLC, offers a wide variety of solutions for correctional facilities, detention centers, jails, and prisons. These solutions include intensive-use accessories, fixtures, furniture, and replacement parts. If you require an individual item to replace on an existing product, we can provide it for you. We also offer a wide variety of mounting hardware, concrete anchors, tamper proof hardware, and tools, to help with installation of intensive use detention furniture.
