

KryptoMax®

Collapsible Wall Mount Detention Desk

Model: KM-FWD

www.KryptoMax.com

Description:

KryptoMax® collapsible wall mount desks are designed to meet ADA specifications and cells with limited floor space. Constructed of 16 gauge stainless steel, this design permits the desk to fold into itself to provide a clean and practical design. These desks can also be custom configured to meet specific lengths and depths.

The KryptoMax® line of products by G2 Automated Technologies, LLC, offers a wide variety of solutions for correctional facilities, detention centers, jails, and prisons. These solutions include intensive-use accessories, fixtures, furniture, and replacement parts. If you require an individual item to replace on an existing product, we can provide it for you. We also offer a wide variety of mounting hardware, concrete anchors, tamper proof hardware, and tools, to help with installation of intensive use detention furniture.
