

KryptoMax® Stainless Steel Table

Model: KM-TBL-244834

www.KryptoMax.com

Description:

KryptoMax® produces a line of standard tables that utilize a strong stainless steel frame and a durable yet attractive multiple work surfaces. Fully welded 16 gauge stainless steel tubing will handle the toughest of jobs. Our standard top is made of 16 gauge durable 304 stainless steel with an attractive #4 brushed finish, but can also be purchased in perforated, rod, or phenolic configurations. Tables are GTAW welded and all edges are ground smooth for safety and a clean look. With a weight capacity of over 1000 lbs., we also include heavy duty leveling feet. Multiple sizes and configurations available.
